

**You are invited to hear Richard Bennett on February 11<sup>th</sup> at 7.00 pm**

**At a Conference Center in Rome NY**

Catholicism needs to be addressed, because it can appear to be a normal form of Christian life. People always like to have all aspects of life under their own control, and in this respect Catholicism has everything regimented as it were. The great difficulty, however, is the inner emptiness that religion brings. In the face of this, the real Christian hope is that the Spirit of God will beget a man to new life in Christ. Richard Bennett, who was a Catholic Priest for 22 years, will deal with this issue on February 11<sup>th</sup> at 7.00 pm at The Beeches Inn and Conference Center, 7900 Turin Rd, Rome NY13440. For directions call their telephone number: 315 336-1700. Their Website: <http://www.thebeeches.com>

The topic will be, *Are you right with God?*”

This topic will be of a great interest to the people of Rome NY and surrounding areas. It will be a perfect time of personal communication, understanding the Gospel, and having your questions answered. You are most welcome!
